YOUNGSTERS!

Need "Cascarets" when Sick,
Bilious, Constipated.

When your child is bilious, constipated
sick or full of cold, when the little tongue is coated, breath bad
and stomach sour, get a box of
"Cascarets" and when the little one
eats up the candies, eat heartily and it
cleanses the little liver and bowel
without gridding. Cascarets contain
no calomel or dangerous drugs and
can be depended upon to move the
stool, cleanse the bowels and indigestible waste
right out of the bowels. Best family
cathartic because it never cramps
bowels or causes inconvenience.
